HISTORY

This coffee comes from the Gogogu washing station in the Kofee district of Guji, Ethiopia. This washing station produces both washed and natural coffees in the traditional Ethiopian way of processing ripe cherries. Over 700 farmers deliver cherry here from roughly 5km in each direction from the mill. Average farm size is roughly 2 hectares and coffee is the main source of income in this region.

PRODUCER

VARIOUS SMALLHOLDERS

LOCATION

 COUNTRY
ETHIOPIA

 ALTITUDE
2,150 MASL

 REGION
OROMIA REGION,
WEST GUJI ZONE,
KOFELE DISTRICT

VARIETY
